Weekly Newsletter

27th Mehefin 2025

As you are aware, last week due to the rain, we had to cancel sports day and the inflatable obstacle course. We have now re-booked them for next week.

Inflatable Obstacle Course - will be on Monday 30th June. Any money raised will go to support Noah's Ark Children's hospital. **If you have not consented for your child to go on the inflatable, please do so straight away or they will not be able to participate due to strict health and safety controls with the equipment.**

Sports Day - will now take place on Tuesday 1st July.

Reception to Y2 – 9.30am – 11.00am

Y3 to Y6 – 1.30pm – 3.00pm

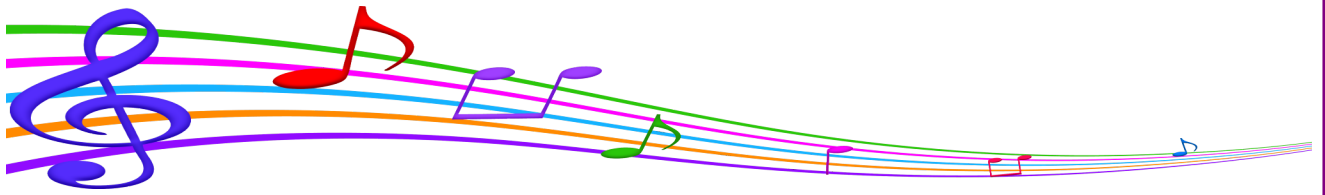

Can all the children Nursery to Y6, wear their PE kits on Monday. Then on Tuesday for sports day to again wear their PE kits but with a T-shirt in their house colours. The weather is due to be warm again next week. In order to ensure the children are protected when they are outside, we expect all children to wear sun-cream, sunhats and have water bottles. Any questions, please ask the office.

Attendance and Punctuality this Week 23rd- June-27th June

Da iawn Bl 3 you have the highest attendance this week at 98.7% - very impressive!

Keep it up!

Class	Nursery	Reception	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Attendance	90%	95.3%	92.1%	98%	98.7%	93.3%	94.7%	95%
Late	3 pupils	2 pupils	5 pupils	8 pupils	2pupils	9pupils	1pupils	4pupils

Today, all the children from Y1 to Y6 took part in a musical extravaganza! Y1, Y3 and Y5 performed this morning and Y2, Y4 and Y6 this afternoon. An amazing host of talent was witnessed as they plucked and bowed their violins, violas and cellos under the careful guidance of Mrs Husband. The learning and progression that takes place through the school was evident as they followed the beat and independently read music, whilst confidently performing in front of a large audience.

A huge thank you to the Corpus Christi brass band that joined us, performing for both concerts. They showed us the skills and talents that can be developed the older and more experienced they are.

**Wednesday 16th
July**

ST BERNADETTE'S

Summer Fayre

**INFLATABLES ★ ICE-CREAM

School Essentials Grant (previously Pupil Development Grant)

The School Essentials Grant is available to help families on a low income, with children who attend a maintained primary or secondary school.

You can use the grant to buy things like:

school uniform,
sports kit,
uniform for enrichment activities, such as community sports
school bags, and
stationery

The grant opens on 1 July 2025 and closes 31 May 2026.

If your child is in primary or secondary school

You could get a grant of £200 per child if they are starting year 7.

You could get a grant of £125 per child if they attend primary school or are in years 8, 9, 10, or 11.

Please follow the below link for further information:

Meithrin

We have had another busy week in nursery. We have our sports day Monday which was lots of fun!

All the children have been working hard on their cutting skills and number formation. They have also been learning about our friends in the Church.

Stars of the week: Frankie & Phoebe

Frankie has been working hard on his pencil grip and number formation. Da lawn Frankie.

Phoebe has been doing good listening on the carpet and making new friends.

Derbyn

St Peter

We have been learning about St Peter and how Jesus walked on water. Peter walked to Jesus and could walk on water too! Peter got frightened and started to sink! We walked through different textures and were guided by a friend. We thought about how Peter must have felt when he saw Jesus walk on water and how Peter felt when he started to sink!

We made different boats and compared them to the boat that Peter would have used to fish with. We also experimented with different objects to see if they would float or sink. We made predictions and then investigated to see if we were correct!

Stars of the week: Gracie Leigh and Aaliyah has impressed us with their attitude to learning during phonics sessions this week. Da iawn!

Blwydynn 1

Bl 1 have been putting their fitness skills to the test as part of our Health and Well-being fortnight. We have been learning how to measure time in seconds, minutes and hours within our Numeracy lessons. Using these skills, we challenged ourselves to jog, run and skip around the playground and time ourselves using a stopwatch. Could we beat our top score? How did we feel once we reached our target? Was it easy?

"I liked trying to run as fast as I could and I beat my top score twice!" - Perez

"I like using the stopwatch. I have been counting seconds all the time!" - Enzo

"I worked with Isla and we both had to jump 10 times. We both had 11 seconds!" - Isla H

"I think I can run as fast as Spider-Man!" - Adam

"My heart was beating really fast! So fast I could feel it!" - Amelia

Seren Yr Wythnos: Israel - Izzy truly impressed us this week when writing his very own Supertato story. He used time connectives, speech marks and adjectives to create a very imaginative and funny story. We are so proud of all his hard work.

Blwyddyn 2

This week in year 2 we have been learning about St. Francis of Assisi. St. Francis is known as the patron saint of animals.

We looked at his life and how he shared the Fruits of the Holy Spirit with others and the world around him. We also looked at 'Laudate Si', the letter that Pope Francis wrote to everyone about caring for our world.

We worked with our talk partners to think of things that we can learn from St. Francis.

Here are our thoughts:

Treasure and Ravi – We can care for plants by giving them water and sunlight

Albert and Kora – Look after all God's animals

Poppy and Elisio – We can help others by giving to the poor.

Maddie and Esme – We can pray for others

Alex and Theo – We can share the Fruits of the Holy Spirit like St. Francis

Seren yr Wythnos: Jacob Z. Jacob has worked really hard this week and always does his best. He always listens to his teacher and is a wonderful friend to the other children.

Blwydynn 3

This week B13 have been putting their creative skills to the test! They have been working together to discuss and share their ideas about endangered animals.

Using clay, B13 have brought their endangered animals to life. We used a variety of tools to shape and mould the clay to create realistic models.

B13 are looking forward to painting our clay models next week!

Stars of the week: Star of the week in BL3 is Rio. Rio has shown great resilience when tackling numeracy and literacy this week! His effort and determination has been fantastic. Keep it up! We are so proud of you.

Blwydynn 4

This term, Year 4 have been working incredibly hard on our enterprise pitch! We've been diving into the world of money, learning all about costs and profits. In groups, we've brainstormed and pitched our ideas for what we think would make the best stall for our Summer fayre.

Each group shared their creative concepts, discussing not just the fun aspects, but also the important details like costs and profits. It was inspiring to see so much enthusiasm as we exchanged ideas and debated which pitches stood out the most.

To make the decision fair, we held a class vote to choose the best idea. The excitement in the room was palpable as we determined our winning pitch, and we can't wait to see it come to life at the fayre!

Star of the Week: Louie

This week's Star of the Week in Year 4 is Louie! He truly lights up our classroom with his infectious energy. Louie arrives each day brimming with a positive attitude and an eagerness to learn. His resilience in tackling challenges is truly commendable, inspiring those around him. Keep shining, Louie—your hard work does not go unnoticed! Da iawn Louie, keep it up!

Blwyddyn 5

What a week it has been for year 5! On Monday we helped our future buddies, currently in Nursery with their sports day. We all thought they did really well and can't wait to buddy up next year.

On Wednesday we explored a range of art presenting clocks as part of our Time Traveller topic. We then chose a medium to present our own art pieces. Here is a selection of our beautiful pieces below.

Today, we have also taken part in our string concert to showcase all we have learnt in our string lessons with Mrs Husband. We played Twinkle Twinkle, Hokey Kokey, Can Can, Under the Coconut Tree and Footprints in the Snow. We were incredible!

Seren yr wythnos is: Joe who has been a joy to have in the classroom. He has been full of enthusiasm and the effort he has put into class discussion in particular has stood out. Joe never fails to be helpful and polite

Blwyddyn 6

On Monday the pupils went to Corpus Christi as part of their transition to high school. The pupils took part in ice breaker games, sang songs and met new pupils from other schools. The children had lunch together in the designated Year 7 playground. After lunch they continued their singing and dancing ready to perform for parents and families in the evening. We were impressed with the pupils' engagement, enthusiasm and willingness to try new things. Gwaith da pawb.

Moli - "It was fun and I enjoyed making new friends."

Amelia - "It was amazing and it was lovely meeting new teachers and I cannot wait to go to high school."

Lilah - "The best part was learning a new dance."

Ollie - "We had the opportunity to meet new people and make new friends."

Jayden - "We found out about the CAVMS (Cardiff and the Vale Music Service) and the Year 11 pupils told us all about the opportunities from the music service."

Star of the week: Harvey this week for all of his enthusiasm and commitment to our end of term production. Harvey, your encouragement towards all of your peers is admirable. Gwaith da Harvey!

Seren Yr Ythnos

Nursery - Frankie & Phoebe

Reception – Gracie-Leigh

Year 1 – Israel

Year 2 – Jacob Z

Year 3 – Rio

Year 4 – Louie

Year 5 – Joe

Year 6— Harvey
